## EXPERIENCE

### **PAGCASA, Remote — Web Developer Intern**

September 2022 - July 2023

A paid internship to assist PAGCASA in developing an internal website that organizes and automates numerous streams of incoming data.

### **Oregon State University, Corvallis, OR — Student Mentor**

September 2020 - July 2023

Responsible for assisting students with course-related questions and problems, primarily focused on debugging faulty programs.

### **Cinemark, Happy Valley, Oregon — PIC**

June 2018 - August 2019

Responsible for enhancing the movie-watching experience for viewers to the fullest.

## EDUCATION

### **Oregon State University, Corvallis — B.S. Computer Science**

September 2019 - June 2023

GPA (4.0 scale): 3.8

Award: Eight Times OSU College of Engineering Dean's List

## PROJECTS

### **BoardBand Website — September 2022**

This website is developed by a team of 3 interns and the founder of PAGCASA to serve as an internal site for the PAGCASA team. The project's end result will assist the PAGCASA team in gathering important information regarding broadband speed across the country.

### **Blackjack Website — September 2020**

This project, involving a team of 4 members, features a fully functioning blackjack game (aka 21) and utilizes the following coding languages: HTML, CSS, and JavaScript.

## PROFESSIONAL GOAL

A career in computer science that places strong emphasis on utilizing technology to accelerate towards a robust technological era.
